

Use this resource to deliver Job Search Training as part of your Intensive Activity suite. These workbooks can be used as stand alone resources or as part of an existing Intensive Activity Program

Intensive Activity Resources (8 Workbooks)

This set of comprehensive resources have been designed for JSA providers looking for assistance in the delivery of Intensive Activities to Stream 1 job seekers as well as general job search resources for Streams 2-4 job seekers.

These workbooks can act as stand alone modules or can be incorporated into any Intensive Activity Program. Titles include:

- Job Searching Using Internet & Email
- Self Marketing & Promotion
- Career Planning for Success
- Resumes That Get Noticed
- Winning Applications and Cover Letters
- Mastering the Job Interview
- Understanding Australian Work Culture
- Mind Over Matter : Positive Approaches to Job Searching

CD-Rom Features

- 8 Comprehensive training manuals
- Fully reproducible. Unlimited reprints
- Designed especially for JSA
- “Intensive Activity” hours tracked in each workbook (evidence based)
- Can be used as self-paced manuals
- 100% Australian content
- Can be easily incorporated into an existing IA program.
