**Ensure you get every outcome you are entitled to. Reduce the administration and streamline your Post Placement Support Services with our individually designed PPS Tracker**

## Job Services Australia Post Placement Support / Employment Tracker

The PPS/Employment Tracker can be designed specifically for your organisation to assist with the delivery of PPS Services.

A comprehensive PPS system is vital for success in JSA. Outcomes are the biggest drivers of performance (Star Ratings) and Income. Reduce your administration with this user friendly tool to track outcomes and PPS.

### **Feature of the Tracker include:**

#### **Placement Risk Analysis**

Flag placements as Current, At Risk or Failed to identify placement risk. Easily identify placements that are likely to fail and provide timely intervention to assist in the retention of placements.

Current		9827708003	SAMPLE	JOB SEEKER
